GUARDAMI PAL JOEY
1CC, 2 RCCs HS 3:3

2008 proved to be another good year for Joey. He won his first RCC at Crufts under Jenny Killilea and his second and Reserve Best in Show at ECRC under Liz Cartledge. His 1st CC with Best of Breed came at Richmond under Robin Searle, where he also went on to take Working Group 2 under Claire Coxall. It was quite a day as his litter sister, Guardami Moulin Rouge, co-owned and handled by Susie Davies took the RCC. Well done Susie and Martha!

Good luck to his daughter
Gyrima Drama Queen who will
be making her debut in 2009

GUARDAMI

REMY AND LOCKY

This mother and son team have done me proud - this picture was taken at the Midland Rott Champ Show and was a bitter sweet day as Locky hung up his show lead due to ill health.

The all important 3rd ticket just passed him by - wish we could cash in his 8 RCCs for that 1! The main thing is that he is still with us. Good luck to all his progeny out there now and doing well in the ring, especially Bevanray Jamelia who will hopefully get her 3rd CC in his honour. Thanks to all his loyal supporters over the years for your encouragement

and belief in our boy. To my dear friend Jo - what can I say but thanks for the ride, for giving it your all and loving my little "Red Dog" as much as I do.

To make my day as only she can, my wonderful Remy at nearly 13 took part in the Parade of Champions and went round the ring with all her old enthusiasm. Thanks for great reception she got - she went up a gear when she heard the cheering!

How lucky am I to have been able to do that and to be part of two such special dogs?

GYRIMA ANGEL DELIGHT AT GYRIMA 1RCC HS 4:5

The "lovely" Lola has had another consistent year in the ring, always in the line up and giving it her best. I'm sure she would rather be home on the sofa having a cuddle but she never complains! She is a real daddy's girl and we love her to bits.

GUARDAMI VANILLA SKY (HS 6:4)

Sire: Newgen Jackodo

Dam: Guardami White Mischief

Molly is a half-sister to Pal Joey and has been shown very lightly this year as she only came back to me in July. She really enjoys the ring and has qualified for Crufts with ease. She is co-owned with Tanya Freeze and will be campaigned fully in 2009.
